EDWARD T. WARE, PRESIDENT

A HIGH School, Normal School and College, with Manual Training for boys and Domestic Science for girls. A home where students are brought under wholesome Christian influences. A center for gathering and disseminating accurate information regarding the Negroes, which service to the cause of fairness in judging a people has had, through the help of the graduates, signal success, and has brought the Sociological Department of Atlanta University an international reputation. The Alma Mater of many of the most successful teachers and influential men and women of the Negro race in the South. Directly and through its 560 graduates, a source of encouragement and inspiration for thousands of the people for whose sake it exists.

This is what 39 years have proved Atlanta University to be for the Negro race. Each new year, with the increasing number of graduates, makes the possibility of useful service greater. The work, however, is hampered by lack of funds. The endowment amounts to $72,000. At least $500,000 is needed to maintain the work as at present organized. Such an endowment would result in great increase in the efficiency and power of Atlanta University, for it would release for the work forces which are now absorbed in the anxiety and effort incident upon money raising for current expenses.

Bequests in wills should be made payable to "The Trustees of the Atlanta University," in Atlanta, Ga., and attested by three witnesses.

Why Not aid the local work of your church by bringing to it good cheer and wise methods from other churches ?

Why Not delegate someone in your church to make a *really live* personal canvass and note how many families *do not* receive regularly any church paper ?

My dear Mr. Cary:

I want to express my appreciation of the wisdom of "The Congregationalist" in distributing the Reader's Bible as a premium for new subscribers.

My copy has just come. I feel that no greater service could be rendered the Christian community than to secure a wide distribution of this book. Your scheme for doing this is admirable. Apart from the method of getting new subscribers to the paper, which is important, it places this book in the hands of a multitude who otherwise would not see it. I hope you will have every success in securing a wide distribution.

Cordially yours,

HENRY A. STIMSON.

Who among your members are the best Sunday-school teachers? Whom can you call upon to lead a meeting? Who are your generous givers? Who make up the membership of your board?

Are they not the ones whose hearts have been quickened by the weekly visits of the denominational paper? One pastor who in less than two years received over seven hundred to church membership, said: "I like ***The Advance;*** it aids me in my work. I must have a paper full of faith and hope."

The Advance occupies a unique position among church papers: it is read from cover to cover. It first published "Stepping Heavenward," the great religious story of the last generation. It gave to the world "In His Steps," the most widely read story of the present decade. Its Sunday-school lesson expositions are fine; its prayer-meeting notes are a great help for the devotional meeting. It publishes the greatest volume of church news. Its *Pastor's Department*, edited by Dr. William E. Barton, is made so intensely interesting that busy laymen find time to read and enjoy it.

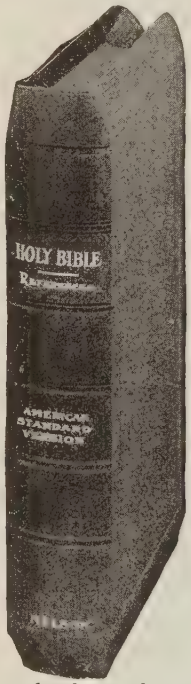
People Want the Real Bible

The VERY WORDS of PROPHET and APOSTLE

That is what a large company of the most renowned and devout scholars, working for thirty years, have tried to give the lovers of The Word in this careful translation — the



American Standard Bible

(Edited by American Revision Committee)

This translation is immeasurably more correct than the King James translation, though that was the best possible at the time.

First — Because modern scholars know Greek and Hebrew far better than the former translators knew those Bible languages.

Second — Because large portions of the Bible have come to light in manuscripts which are older and better than those used to make the King James translation with.

Third — Because there have been discoveries by the thousand in Bible countries which throw floods of light on the meaning of obscure passages. With these and other advantages our modern scholars could get back to the very letter and spirit of the original Scriptures.

THE TREASURER'S STATEMENT.

On the recommendation of the Finance Committee it was *voted*, that in view of the condition of the funds of the Council and of the needs for the next three years, the Committee on Finance recommend that the Treasurer of the National Council be instructed to call for two cents per member from the churches for each of the three following years.

—From the published Minutes of the National Council, Cleveland, Ohio, October, 1907.

8 FEB 1909

INTRODUCTION.

The YEAR-BOOK, including the reports of the churches for 1907, will come to the brethren without the familiar designations of "*p.*" and "*p. c.*" The National Council, Cleveland, Ohio, 1907, approved the Report of the Committee on Polity, in which was embodied the suggestion that pastors installed by Council be marked "*i.*" and such as were received or recognized by Council be marked "*r.*" The other pastors are without any designation. It may be that in some instances the changes involved were not clearly appreciated, for which cause errors might have found their way into the reports from the states. The next issue of the YEAR-BOOK will doubtless correct them. In other respects the YEAR-BOOK appears in its usual form.

The attention of the state secretaries is called to the method of distribution, as it differs from that of previous years. The rule will be followed in respect to YEAR-BOOKS not delivered, which directs that after all possible effort to have the books delivered, copies on hand in the post offices and express offices will be ordered to the care of the secretaries of the states, respectively, where they may be kept until correct addresses shall have been ascertained. Ministers and clerks would save not a little money to the treasury of the National Council, if they attended at once to the preparation of their reports for the state secretaries, and so hastened the issue that the distribution could be made before pastors and clerks left their homes for the vacation period, and also advised the editor of the YEAR-BOOK concerning changes in post-office addresses.

We regret that a number of changes were sent too late for insertion in the schedules. We suggest that ministers especially bear in mind that omissions and errors could not be corrected for the above reason.

The complaint is general that the YEAR-BOOK is published at too late a date. It need not be deferred, many write, until after June 1. Why the clerks of churches do not appreciate the necessity of making prompt returns, we cannot comprehend. We have often wondered whether there is any reason in waiting until a meeting of the church has been held for elections. The figures for the year could be sent within a fortnight without any inconvenience. Changes in names of pastors and officers could be sent afterwards. As it is, state secretaries are compelled to write three, four, and five times, to secure reports. Some secretaries have even traveled to distant points and called upon clerks personally. It has been suggested that the schedules be printed in the YEAR-BOOK according to the order of dates received. It has also been suggested, that on April 1 the folios of such states as have been received be printed, in order, and other "states" not received on or before that date, be printed in the order in which they are received. That one or the other of these suggestions will be adopted by the Publishing Committee is quite likely for the speedy publication of the issue of 1909. The schedules for the next issue will call for the reports to be sent at once. Ministers and clerks will see how important it is to attend to the business in hand without delay. The great and increasing demand for the YEAR-BOOK makes the earliest issue possible imperative.

For the YEAR-BOOK, schedules were received as follows: Nevada, *February 5;* South Carolina, *February 10;* West Virginia, *February 13;* Cuba,

February 14; Arizona, Mississippi, *February 15;* Arkansas, Porto Rico, *February 19;* Ohio, *February 26;* Utah, *February 28;* Michigan, Wyoming, *February 29;* District of Columbia, Maryland, New Jersey, Virginia, Wisconsin, *March 5;* New Hampshire, Oregon, *March 9;* New Mexico, *March 10;* Maine, *March 11;* Iowa, *March 13;* Florida, Kansas, *March 16;* Vermont, *March 20;* Alabama (Convention), Missouri, *March 21;* Alabama (Association), *March 24;* Alaska, *March 25;* Tennessee, *March 27;* California (Northern), Connecticut, *March 30;* Illinois, Minnesota, Washington, *March 31;* North Carolina, *April 1;* Indiana, Oklahoma, *April 2;* North Dakota, *April 3;* New York, *April 8;* Hawaii, *April 9;* Georgia (Conference), *April 10;* Kentucky, *April 15;* Idaho, Rhode Island, South Dakota, *April 16;* Massachusetts, *April 17;* Colorado, Pennsylvania, *April 18;* Georgia (Convention), *April 23;* California (Southern), *April 28;* Louisiana, Montana, Nebraska, *May 4.*

That a large number of churches and ministers have not received copies of the "Minutes of the National Council," Cleveland, Ohio, 1907, we know from the copies which remain in this office. Kindly advise us and a copy will be mailed at once.

The following note, which explains itself, has been received from the Registrar:

"*Through inadvertence no record is made in the Minutes of the adoption of the recommendations of the Committee on Polity. The action reported on page 413 under the caption 'Commission on the Relation of the National Council and the Benevolent Societies' should read as reported in recommendation XI, page 346.*"

State secretaries and registrars or scribes should consult the Minutes carefully that the following resolutions be considered by the churches: American Bible Society, p. 404; Delegates, Expenses of, p. 426; Federation and Unity, p. 402; Finance, p. 425; Marriage and Home, p. 403; Polity, pp. 340–352 (see Registrar's note above); Property, pp. 414, 415, also 264, 402; Temperance, pp. 414, 415.

With the hope that this issue of the YEAR-BOOK will find the great favor which has been freely accorded to its predecessors, and with a sense of gratitude for very many expressions of appreciation of the work done, the Editor submits his work to the churches, and is glad to subscribe himself as the servant of the Body.

OBJECTS.

To maintain, in the city of Boston, a Congregational House; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches.

FINANCIAL.

During the year, the debt on the Congregational House has been reduced by $8,000, bringing it down to $150,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely, there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1907, the mortgage on the Congregational House was renewed, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about $10,000; the interest on the mortgage is about $6,000; if the debt were paid, the appropriations to all the missionary societies could be largely increased, without diminishing the appropriation to the Library.

Now, suppose that a number of bequests amounting to $150,000 were distributed among the different benevolent enterprises that center in the Congregational House. The total result, at four per cent interest, would be an annual gift of $6,000 to these causes.

Suppose, on the other hand, that this $150,000 was devoted to wiping out the debt on the House. The present surplus of $10,000 would be increased by the interest on the mortgage, namely, $6,000, and the whole $16,000 would be available for the missionary work of our churches, — $16,000 annually, instead of $6,000. It is clear, then, that the same amount of money, whether bequeathed or given directly, will go much further for Congregational work when invested in the Congregational House, not to urge the greater security of the investment.

THE LIBRARY.

How can the inertia of church clerks be overcome? We are constantly urging these officials to send the Library two copies of the latest manuals, histories, etc., of their respective churches; but few respond, and a mortifying gap exists at this point. Perhaps the many fail to understand that this material becomes more valuable as the years pass.

Gillett, d.d.; Charles A. Hopkins; Herbert A. Wilder; Rev. Edward M. Noyes; Rev. John H. Denison; Rev. George A. Hall.

The American Board is the only foreign missionary society of the Congregationalists of America, including Canada; friends of other denominations often give through its channels. The Board has a famous history and a prestige unsurpassed by any missionary society at home or abroad.

Its work is conducted through twenty missions in nine countries with 579 missionaries (200 men and 379 women) and 4,135 native workers. Connected with its missions are 580 churches, with 68,000 communicants, of whom over 6,000 were added by confession the past year. Its educational work includes over 1,400 schools with 65,000 scholars; of these schools, 13 are theological seminaries and 128 colleges, boarding or high schools. Forty-seven missionary physicians are busy in medical work of the Board, with 34 hospitals, 45 dispensaries and over 275,000 patients annually. Using 27 different languages, the Board prints millions of pages of books, papers, pamphlets, etc., for use in its schools, churches, hospitals, and the homes of the people.

In such ways are Congregationalists endeavoring to evangelize the 75,000,000 of the earth's population assigned to us under the comity arrangement in force among the leading foreign missionary societies. The cost for the work last year, viz., $877,631.95, seems moderate when we consider the magnitude of the operations. We could name more than one university in the United States whose annual budget is greater than that of the American Board. In this connection it should be kept in mind that the native churches, out of their poverty, contributed during last year the sum of $226,271. In two of our missions, Japan and Natal, the churches are self-supporting, and in all of our missions a large measure of self-support has been attained. Surely it is a privilege to help those who show such a disposition to help themselves.

Five Departments.

Theological Seminaries, Colleges, Academies, Mission Schools, and Student Aid.

THEOLOGICAL SEMINARIES.

Chicago Theological Seminary, Foreign Departments, Chicago, Ill.
Revere Finnish School, Mass.

There are sections in the West solidly foreign. New England has an increasing foreign population. While the children of newcomers eagerly learn the English language, their parents will probably be satisfied to speak their mother tongue. The graduates from the foreign departments at Chicago and Revere, Mass., are able to preach in both English and the mother tongue.

COLLEGES.

Rollins, Winter Park, Fla.
Fairmount, Wichita, Kan.
Kingfisher, Kingfisher, Okla.
Redfield, Redfield, So. Dak.

During the last ten centuries Christian universities and colleges have trained the great leaders in human progress. Wise, far-seeing, and unselfish leaders are now needed more than ever. The problems and perplexities of our national progress will increase rather than diminish.

Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

ACADEMIES.

Eighteen academies receive financial aid.
Several other academies, closely allied, indorsed and helped.

Gordon, Utah.
Proctor, Utah.
Franklin, Nebraska.
Chadron, Nebraska.
Weeping Water, Nebraska.
Gates, Nebraska.
Eureka, Kansas.
Kidder, Missouri.
Iberia, Missouri.
Rogers, Arkansas.
Ward, South Dakota.
Windom, Minnesota.
Northland, Wisconsin.
Southern Collegiate, Illinois.
Northwestern, Oklahoma.
Paradise Institute, California.
Phillips, North Dakota.
Thorsby Institute, Alabama.

Many states in the West and South make no provision in their statutes for high schools in the rural districts, so that there are large sections of our country, embracing in some localities several counties with thousands of settlers widely distributed, without any schools of higher grade.

Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS IN UTAH.

Bountiful.	Lehi.
Coalville.	Vernal.

Heber.

Gordon and Proctor, elsewhere given as academies.

Reasons. — Mormon leaders are making strenuous efforts to extend Mormonism. Its missionaries are active in this country and abroad. There are nine Mormon conferences on the Atlantic coast from Maine to Virginia. The leaders have a distinct political aim to gain firmer hold in national affairs in order to further the interest of their church and gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

MISSION SCHOOLS IN NEW MEXICO.

San Rafael.	Atrisco.
Barelas.	Cubero.
San Mateo.	Seboyeta.

Poor, ignorant, and superstitious Mexicans appeal for Christian light.

The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life.

The uplifting of homes and establishing of churches will come through the children and their schools.

STUDENT AID.

Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry. Competent committees at seminaries and colleges examine each applicant and give estimates of his worth.

The Home Missionary, a magazine published by the Society since 1828, is now issued monthly at fifty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In Congregational Work, the monthly organ of the Seven Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in all parts of the wide field and present the freshest intelligence therefrom. The price is only ten cents a year. An Annual Report sums up the results of each year. Leaflets and tracts for the times are published as occasion calls and funds allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Ave. and 22d St., New York.

For eighty-one years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have, from the first, organized Sunday-schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 7,076 churches (*a*) have been organized, and 3,388 have come to self-support. It has collected and disbursed in cash $23,861,633.40 and in clothing, books, and other supplies, largely the offerings of Christian women, $2,761,156; in all, $26,622,789.40. The additions to the churches have been 535,492.

The number of missionaries employed in its eighty-first year (1906–1907) was 1,585; 1,015 of them in states and territories west and south of the Middle States. They preached regularly in 1,881 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 117,263. The additions to the churches were 5,447, 3,667 of them on confession of Christ. Churches organized, 40; reached self-support, 45.

The eighty-first year's receipts were, in cash, $478,576.57; in supplies, $42,432; in all, $521,008.57.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least $100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

FINANCIAL STATEMENT.

The Receipts during the financial year ending March 31, 1906 (not including loans), were, from congregations and individuals, $106,377.35; ditto transmitted by Constituent States, $14,044.16; from Legacies, $88,997.00; Conditional Gifts, Interest and Literature, $34,395.03. Constituent States' Receipts applied to work in their own fields, $234,763.03. In all	$478,576.57

Additional cash and supplies disbursed by direction of the donors, including Constituent State Societies	$30,000.00

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South the Negroes and the Whites, both in the mountains and the lowlands; in the West the Indians; on the Pacific Coast the Chinese and Japanese; in Alaska the Eskimos; and in Porto Rico and Hawaii those of various races.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanic arts, and agriculture. Its chartered institutions are Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College for colored students, Piedmont College and Atlanta Theological Seminary for whites. Among its secondary schools are Gloucester School, Va.; Saluda Seminary, Lincoln Academy, J. K. Brick School, Gregory Institute, Washburn Seminary, Peabody Academy, N. C.; Avery Institute, Brewer Normal, S. C.; Ballard Normal, Beach Institute, Allen Normal, Dorchester Academy, Albany Normal, Knox Institute, Ga.; Fessenden Academy, Orange Park Normal, Fla.; Joppa Institute, Emerson Institute, Lincoln Normal, Burrell Normal, Trinity School, Ala.; Lincoln School, Moorhead Industrial, Mt. Hermon, Miss.; LeMoyne Institute, Grand View Normal, Pleasant Hill Academy, Tenn.; Chandler Normal, Black Mountain Academy, Ky.; Santee Normal, Neb.; Blanche Kellogg Institute, Porto Rico. One hundred schools in all.

CHURCH WORK.

The Association has 231 Congregational churches under its care, besides many preaching stations. The Indian Dakota Association is developing a vigorous church life. In the Chinese fields, while there are few churches, many pagans have come into the Christian life. In Porto Rico the field is white to the harvest. The South greatly needs the liberalizing and ethically tonic influence of our free, intelligent, self-governing, unsectarian churches, for both races, and many such churches are being sustained by the Association.

* Died March 4, 1908.

MAGAZINE.

The American Missionary is published monthly, except July and August. New form, fresh material, and general illustrations characterize it for 1908. Subscription is *fifty* cents per year.

CONGREGATIONAL BOARD OF MINISTERIAL RELIEF.

A Board organized "to secure, hold, manage, and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers."

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

Only the income from the Endowment Fund may be used for pensioners. This is supplemented from the current receipts from churches and individuals, while all legacies not otherwise designated, and all gifts so designated, are added to the Endowment Fund.

The original idea was to create an Endowment Fund, only using the income in pensions. The National Council, Portland, Me., 1901, instructed the Board, in building up the Endowment Fund, "not to neglect the present needs." Hence the policy now is, first, to meet the present needs of the aged ministers, and second, to increase the Endowment Fund as rapidly as possible.

The receipts from all sources, from the first gift in March, 1887, to Dec. 31, 1907, have been $348,891.69. The receipts in 1907 were $28,668.53.

The National Council "urges all ministers and churches to enter into hearty co-operation with the Board, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Board appeals

1. For an annual offering from each church.
2. For subscriptions to the Endowment Fund, from ministers during their earning period, of $1.00 a year or more.
3. For special gifts and bequests from individuals.

NATIONAL FEDERATION OF WOMAN'S CONGREGATIONAL STATE HOME MISSIONARY ORGANIZATIONS.

Organized May, 1905.

President. — Mrs. B. W. Firman, 1012 Iowa Street, Oak Park, Ill.
Vice-Presidents. — Mrs. James L. Hill, Salem, Mass.; Mrs. F. Eggert, Portland, Ore.; Mrs. H. B. Wey, Atlanta, Ga.
Secretary. — Mrs. G. H. Schneider, 919 Warren Avenue, Chicago, Ill.
Treasurer. — Mrs. H. A. Flint, 604 Willis Avenue, Syracuse, N. Y.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

Object. — Its object shall be the unification of all state organizations of women that labor in any corporate way for the advancement of home missionary work in connection with Congregational churches.

Membership. — All state organizations of women connected with Congregational churches, seeking to promote woman's missionary work in our country and its newly allied territories, shall be eligible to membership in this Federation.

Meeting. — An annual meeting shall be held in connection with the gathering of the Congregational Home Missionary Society, inasmuch as other of the national societies hold affiliated meetings in connection with this gathering.

The Federation has proved itself worth of being, — it having brought about a fellowship and a mutual helpfulness between the states, which would be impossible were there not a central organization. Each state continues independent as to its plan of work, treasury, etc. Among the advantages to Congregationalism are that federation gives us centralization in our home missionary activities, — a necessary factor in coming in contact with other denominational bodies; it will also tend toward stimulating the gifts of the women of our country to home missions. The officers are glad of every opportunity possible to be of help in any way, anywhere.

Congregational Work is the official organ of the Federation.

THE WOMAN'S BOARDS OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each co-operates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. The organ of the three Boards is *Life and Light for Woman*, published in Boston. These Boards also co-operate with the American Board in publishing the *Mission Dayspring*, for children.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

Board of Managers. — The officers above named and Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Francis J. Ward, Edward B. Wilder, Albert Murdoch.

Corresponding Secretary. — Rev. CYRUS P. OSBORNE.

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to relieve the wants of these men when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of navigation, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from states as far west as Colorado. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its centers upon our coasts, its circumference includes all seas and shores where sailors are found.

Methods. — The work is not simply preaching to sailors, but a ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates have been cared for during the last winter.

Results. — Many men have been led to save their earnings, an aggregate of thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines.

All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailors' Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and from the middle of November to May there is hardly a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and our Chaplain has a list of about one thousand men who have within four or five years asked for prayer, and with most of whom he is in correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual donation from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least $15,000, to make changes and improvements in our Boston Bethel, by which two thirds of that fine building will be available for bethel work instead of one third, as at present. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts fail us. It needs the sympathy and prayers of all who care for the sailor and have any sense of the great debt we owe to him.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of $..... to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work

OTHER SOCIETIES.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. Frank W. Merrick, ph.d., Chairman; Edward B. Bayley, Herbert A. Boynton, Rev. Arthur J. Covell, Rev. Frederick E. Emrich, d.d., Frank L. Fish, William S. O'Brien, Rev. Charles H. Oliphant, Henry H. Proctor, Rev. Edward A. Reed, d.d., Rev. William E. Strong, Appleton P. Williams.

Secretary. — Rev. Charles B. Rice, d.d.

This Board is maintained and directed by the General Association of Congregational Churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches; but it is itself responsible to the churches. This fact of complete public responsibility is characteristic and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement wherever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning nearly three thousand Congregational ministers. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in as far as possible the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contribution from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerately assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

HISTORY AND OBJECT.

The Schauffler Missionary Training School was opened in Cleveland in 1886. It was the outgrowth of the need of "native helpers" in the newly begun home missionary work of the Congregational Home Missionary Society for our Slavic population. It was at first open only to Bohemian young women, but within a few months it began to receive other nationalities and is now open to all young women desiring home missionary training. Seven nationalities have been in training at one time. Over one hundred and forty young women have studied in its halls and sixty have been graduated. These graduates are working in seventeen different states, in five different denominations, and among seven different nationalities. In 1905 a new department was added, that of training young women for pastors' helpers, by giving instruction in stenography, typewriting, and the keeping of church records, in addition to the regular missionary course. From this course four have been graduated and seven are now in training.

NEEDS.

The School needs an endowment of $50,000 to insure enlargement and permanency. Thirty-five thousand dollars is already pledged. Will you help? Send contributions to the Schauffler Missionary Training School, 5111 Fowler Ave., S. E., Cleveland, Ohio.

For information address the Principal, Mrs. Mary Wooster Mills, 5111 Fowler Ave., S. E., Cleveland, Ohio.

THE THEOLOGICAL SEMINARIES.

ATLANTA THEOLOGICAL SEMINARY,

Atlanta, Georgia.

Opened for instruction, 1901.

FACULTY.

E. Lyman Hood, M.A., PH.D., President, and Professor of Church History.

Samuel W. Howland, A.M., D.D., Professor New Testament Greek and Systematic Theology.

Alvan F. Sherrill, D.D., Professor Homiletics and Pastoral Theology.

Lawrence Phelps, M.A., Professor Biblical Theology.

Frank E. Jenkins, D.D., Lecturer on Parish Problems.

The Seminary aims, (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The classical theological course embraces three years of study. At its completion, the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under wise and experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our large library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

Terms of Admission. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

Expenses. — No charge is made for tuition or room rent. Board can be obtained for $2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will enable them to pay all expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his. Thus we shall give to the churches men with a practical as well as a theoretical knowledge.

For further information address President Hood.

Admission. — Students are admitted upon presentation of certificates of membership in some Christian church, and of graduation at a college or university, with personal testimonials from former instructors or pastors. Applicants who are not graduates are sometimes received as special students; but can only qualify for the regular course after meritorious work and examination.

Course of Study. — The aim of the course is to prepare men thoroughly for the practical work of the ministry. The fundamental studies in the Old and New Testaments, the History of the Church, the System of Christian Truth, and the Work of the Preacher and Pastor, are prescribed; numerous elective courses enable students to pursue some of these subjects farther, or to take up others subsidiary to the main topics of instruction. The Hyde and Southworth Lectures provide expert instruction in missions and polity. To give students an actual acquaintance with the work of their calling and some experience in it, they are, as far as possible, associated individually with pastors of churches in Boston and vicinity, whom they assist in various ways and from whom they receive personal counsel and guidance.

Degree. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study; it is required that the recipient hold a college degree.

Graduate Students. — Graduates in Theology pursue advanced studies and researches under the personal direction of the professors, and are admitted to such courses of lectures as they may elect.

Library and Museum. — The Library contains over 58,000 volumes. Every provision is made in the several alcoves for their accessibility and use by the students. The museums contain the John Phelps Taylor Palestinian Collection, the Newton Cabinet, the Fiske Missionary Collection, and other objects of interest.

Location. — Andover is twenty-three miles from Boston, and is reached by the Western Division of the Boston & Maine Railroad in thirty-five or forty minutes.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its curriculum and all the supplementary means of instruction seek this one end. It is open to Christians of all denominations.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of above 26,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers; and to the Seminary's practice of holding each year Conferences on Christian Work, which bring to the front important aspects of practical religious effort.

By reason of the location of the Seminary in an inexpensive center, and because of the adoption of the co-operative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. Warren J. Moulton.

Relation to the University. — The Divinity School is one of the co-ordinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of b.d., and are enrolled among the alumni of the University.

Courses of Study. — The studies are of two classes, prescribed and elective; and are grouped in three main courses, all leading to the degree of b.d., but emphasizing respectively the Historical, the Philosophic and the Practical aspects of Christianity. Students at the close of the second year of study have the option of continuing as candidates for the degree of b.d., or of becoming, by enrollment also in the Graduate School, candidates for the degree of ph.d.

Graduate or Fourth-Year Class. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued under the direction of the professors. Members of this class may become candidates for the degree of m.a., of for that of ph.d., by enrollment also in the Graduate Department of the University.

The school has two Graduate Fellowships for the encouragement of further theological study in this country or abroad.

Expenses. — The charge for the care and heating of each room is, approximately, $40 per annum. Board costs from $3.50 to $5.00 per week. The necessary expenses of a student for the school year of thirty-two weeks, exclusive of clothing and personal expenses, range from $180 to $245.

Opportunities for Self-Help. — Scholarship aid is now considered not as a gift but as a means of livelihood obtained by religious work. The scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training in pastoral work. The average amount of time spent is six hours per week, for which the remuneration is $125. Further opportunities for self-help, if needed, may be obtained through the Director of Religious Work. Prize scholarships of $100 and $50 are also offered to students of high rank in scholarship.

Term of Study. — The next year will begin on Thursday, Sept. 24, 1908.

Application for Admission. — The conditions of admission are membership in some evangelical church, and a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the Dean, Yale Station, New Haven, Conn.

THE SEMINARY aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, and to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

THE CURRICULUM is arranged in accordance with a system of Grouped Electives. It is thereby adjusted to the needs of students wishing either a balanced course, or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing.

THE MISSIONS COURSE, on the Lamson Foundation, provides opportunity for thorough Mission study.

THE HARTFORD SCHOOL OF RELIGIOUS PEDAGOGY, affiliated with the Seminary, supplies an invaluable supplement to the instruction in this department.

GRADUATE STUDY is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study. One fellowship, yielding $1,000, is offered in post-graduate work.

THE APPARATUS includes a library of 88,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term. All courses are open to women on the same terms as to men.

EXPENSES. — No charge is made for tuition, rooms, furniture, and bedding, except a nominal fee of $25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about $4.00 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society, varying in amount according to scholarly rank.

CALENDAR. — The seventy-fifth year begins Sept. 30, 1908, and closes May 26, 1909.

ADMISSION. — Candidates for admission must be college graduates or have equivalent preparation. Women are received on the same terms as men.

COURSE OF STUDY. — The curriculum covers three years, and leads to diploma and B.D. degree. It is arranged in a system of grouped Electives, which give a general course with opportunity to specialize where desirable. The studies set out, from the point of view of Christian experience, are carried on in a reverent, historical, and critical spirit, and aim at a culmination in practical fitness for the ministry. The courses in philanthropic, civic and social work offered by the Chicago Institute of Social Science are open to all students.

FOREIGN AND CHRISTIAN INSTITUTES. — In these independent courses men are trained to preach in both English and the German and Scandinavian languages. For the German a high-school training, and for the Scandinavian a good common-school fitness, is required. In the Christian Institute men and women are trained for various forms of church work.

CHICAGO COMMONS, the Social Settlement, of which Dr. Graham Taylor is resident warden, is a laboratory in practical work for the students. See page 60.

APPARATUS. — Hammond Library contains over 20,000 carefully selected volumes, current theological and literary magazines, all arranged according to departments in separate alcoves for easy reference. EXPENSES AND AID. — The only charge is a nominal fee of $1.00 a week for heated, lighted and furnished rooms. Board can be secured near the Seminary for $3.00 or $4.00 a week. Loans from $75 to $175 a year are granted worthy men, in addition to the grant from the Education Society. Each graduating class is offered also a fellowship, the income of $10,000, for two years of foreign study.

CALENDAR. — The next Seminary year begins Wednesday, Sept. 29, 1909, and ends the second Thursday in May, 1910, with vacation of two weeks at Christmas.

OBERLIN THEOLOGICAL SEMINARY,

OBERLIN, OHIO.

Opened for service in 1835.

FACULTY.

HENRY C. KING, D.D., President, Finney Professor of Theology.

EDWARD I. BOSWORTH, D.D., Dean, Professor of the New Testament Language and Literature.

G. FREDERICK WRIGHT, D.D., LL.D., Professor Emeritus of the Harmony of Science and Revelation.

ALBERT H. CURRIER, D.D., Holbrook Professor Emeritus of Sacred Rhetoric and Practical Theology.

ALBERT T. SWING, D.D., Professor of Church History.

KEMPER FULLERTON, A.M., Secretary and Registrar, Professor of the Old Testament Language and Literature.

WILLIAM J. HUTCHINS, Professor of Homiletics.

G. WALTER FISKE, A.M., Professor of Practical Theology.

LOUIS F. MISKOVSKY, A.M., Principal of the Slavic Department, and Professor of the Bohemian Language.

WILLIAM G. CASKEY, A.M., Professor of Elocution.

ALBERT B. WOLFE, PH.D., Professor of Sociology in Oberlin College.

THE SEMINARY is open to students of all denominations. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition, students are admitted to the college classes without charge.

Applicants for admission must present college diplomas. Upon graduation the academic degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 920 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, aggregating 1,432 hours, from which each student elects at least 520 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

SPEAR LIBRARY contains about 107,000 volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot-water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of $6. Aside from this fee, there is no charge made by the Seminary. The price of board in Oberlin is from $2.40 to $3.50 a week. Other expenses are correspondingly low.

PECUNIARY AID is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than $50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from $50 to $100 each year, and in the form of remuneration for country and city mission work which is abundant in the vicinity. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 23, 1908. For further information address Dean EDWARD I. BOSWORTH.

PACIFIC THEOLOGICAL SEMINARY, Berkeley, Cal.

Opened for service, 1869; established at Berkeley, 1901.

FACULTY.

John Knox McLean, D.D., President, and Lecturer on Pastoral Methods.

Charles Sumner Nash, M.A., D.D., Professor of Homiletics and Pastoral Theology.

William Frederic Bade, B.D., PH.D., Professor of Old Testament Literature and Semitic Languages, and Secretary of the Faculty.

George Dewitt Castor, B.D., PH.D., Professor of New Testament Literature and Exegesis.

George Tolover Tolson, M.A., B.D., Instructor in Church History, and Acting Librarian.

Miles Bull Fisher, A.B., B.D., Instructor in Elocution.

James Alexander Chamberlin, D.D., Lecturer in Sociology.

The Faculty is further strengthened by co-operation with Dean Hiram Van Kirk, B.D., PH.D., of the Berkeley Bible Seminary, Pres. Claiborne Milton Hill, D.D., of the Pacific Baptist Divinity School, and Dean Earl Morse Wilbur, M.A., of the Unitarian Divinity School.

Also, from the University of California, George Holmes Howison, M.A., LL.D., Professor of Intellectual and Moral Philosophy; George Malcolm Stratton, PH.D., Professor of Psychology; Charles Mills Gayley, LITT.D., LL.D., Professor of the English Language and Literature; Cornelius B. Bradley, M.A., Professor of Rhetoric; Alexis F. Lange, PH.D., Professor of the Theory and Practice of Education; John Fryer, LL.D., Professor of Oriental Languages and Literatures; Thomas Rutherford Bacon, A.B., B.D., Professor of Modern European History; William Popper, PH.D., Associate Professor of Semitic Languages and Literatures; Chas. Rieber, PH.D., Associate Professor of Philosophy.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the nine professors of the University named above have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 150,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Preparation in the languages of China and Japan can be had in the Oriental Department of the University, or in medicine in the Medical School. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

The Seminary is open to students of every Christian denomination, to women as well as to men. A college diploma, or in lack of that, evidence of literary and scientific attainments equivalent to an A.B. degree, is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address President McLean.

The next year begins Aug. 18, 1908.

Annual Statistics

of the

Churches and Ministers.

ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1907 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1908, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1907–1908.
5. General summary tables for the year.
6. Tables of summaries, 1858–1907.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE in LINE or MARGIN, is USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated.

2. Pastors installed by council are marked "*i.*," and pastors recognized by council are marked "*r.*"; others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations. It should be borne in mind that in the tables, "R." includes Discipline and Roll revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

ALABAMA.

ALABAMA STATE CONVENTION. OFFICERS: Rev. Elmer W. Butler, Thorsby, moderator; Rev. A. T. Clarke, Fort Payne, statistical secretary and treasurer. SESSION OF 1908: Nov. 11, 1908.

Students of this table should remember that 1887 was a transition year. The reports from different states covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1907, are retained, and are indexed to pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

We are pleased to present to the Churches the following analysis of the List of Ministers, which will illustrate the distribution of service. If such as are "starred," deceased, and many in foreign lands, are not included, the number of ministers will equal that reported by the states, 5,972.

Pastors,	3,785	Secretaries,	72
Without charge (including supplies),	2,090	Superintendents,	48
Chaplains,	13	Teachers,	31
Editors,	30	Deceased,	154
Evangelists,	31		
Missionaries,	223	Total,	6,687
Presidents,	46		
Professors,	149	"Starred,"	376
Principals,	15		

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State although the person may reside elsewhere.
